PROJECTS

VBS Full Stack Website 🌐
Personal Project (Deployed)

May 2025 – Oct 2025

- **Engineered and deployed** a full-stack MERN application for the **Vacation Bus Services (VBS)** startup, streamlining transport bookings for 700+ students.
- **Integrated a secure payment gateway**, enabling online transactions and achieving over **2L revenue within 10 days** of launch.
- **Onboarded 1,000+ registered users** and recorded **14K+ website visits within 20 days**, demonstrating high user adoption and scalability.
- **Developed** a responsive frontend using React and React Bootstrap with search, booking, and ticket management modules.
- **Built** a secure backend using Node.js and Express.js, with token-based authentication (JWT) and role-based access control powered by MongoDB and Mongoose.
- **Designed** an advanced admin dashboard for managing users, buses, routes, bookings, and auto-generating PDF manifests for trips.

Digital Academics Monitoring System (DAMS) 👥
Group Project

Sept 2024 – Apr 2025

- **Developed** a full-stack web application for government schools enabling teachers to take **face-recognition-based attendance** and track daily class activities.
- **Integrated role-based access control** where principals can manage and assign access to teachers, and the system administrators provide access to principals.
- **Implemented** a lesson-tracking module allowing teachers to review **previous class topics** and ensure syllabus continuity.
- **Collaborated** with a 5-member team using **React, Node.js, Express.js, MongoDB and Python**, ensuring a scalable and secure architecture.

LEADERSHIP & ENTREPRENEURSHIP

Vice President, Fintech Club, VIT Bhopal
Market Analyst Team Co-Lead, Fintech Club, VIT Bhopal

Oct 2024 – Oct 2025
Jan 2023 – Oct 2024

- **Spearheaded 4 large-scale events** (StockQuest, Auction Arena, FinGenAI, FinFit), engaging **700+ participants** and boosting financial literacy by **20%**.
- **Managed a 102 member team**, optimized logistics, and drove **30% club growth** through **4 successful campaigns**.

Founder, Vacation Bus Services (VBS)

Oct 2023 – Ongoing

- **Founded** a successful startup providing transport services to **10,000+ VIT Bhopal students**, achieving **95% customer satisfaction**.
- **Directed** end-to-end operations, sold **10,000+ tickets**, optimized booking systems, and increased customer reach by **60%**.

AWARDS & ACHIEVEMENTS

- **Selected** for the **National-Level Research Paper Competition, VIVIBHA BSM** (out of 167,000 participants).
- **Represented** VIT Bhopal at **NFLQ 2025 Quiz**, qualified for the **Finals** after securing **5th position** among 60 colleges in the Central Regional Round.
